

**APPROVED CAPTIONING SERVICE VENDORS**  
**Described and Captioned Media Program (DCMP)**  
**National Association of the Deaf (NAD)**  
**U.S. Department of Education (ED)**

---

*The following is a list of captioning service vendors that have passed an evaluation by the DCMP. The DCMP evaluation is a comprehensive test of a vendor's ability to caption correctly, as per DCMP guidelines listed in the [Captioning Key for Educational Media](#). Due to the wide variety of media formats, the DCMP does not certify that any vendor has the technical capacity to work from, or provide back, any specific tape or electronic format.*

*This approval extends to **English language only**.*

*In order to be listed, a captioning service vendor must submit captioning samples to the DCMP for approval. However, some captioning service vendors have not applied for the DCMP approval. Therefore, the fact that a vendor is not listed below does not necessarily mean that it has failed to meet the DCMP captioning standards or guidelines. Also, a vendor may be removed from the listing due to poor quality performance. Results of captioning evaluations by the DCMP are confidential.*
