

# Spring into accessibility with the DCMP

Put away the parka and stow the snow shovel—spring is here! In this season of renewal and new life, join the DCMP for a fresh perspective by checking out the following titles. Can you spot each title's connection to spring?

## Spring

"Focuses on the seasonal cycle of nature, beginning with spring's return of life to the planet."

## Starting Life

"Where do baby animals come from? A family visits a farm to find out."

## Flowers and Seeds

"Takes a close look at flowers, identifying their parts."

## The Living Body: A New Life

"A look at the events that lead from a fertilized cell to a human baby."

## Bees and Plants

"Details the relationship between bees and flowers."

## Animal Migrations

"Why (and when) do animals migrate?"
