# SMILES

**SAY IT WITH A SMILE!**

To smile for a **PHOTO**  
is really quite easy:  
Show all of your teeth  
and try not to look **CHEESY.**

If you smile like a **PIRATE**,  
that's not a bad thing,  
You smile with more bling  
than the **CROWN ON A KING.**

A smile with a **"GAP TOOTH"**  
is lucky, they say,  
And shines with **GOOD FORTUNE**  
throughout the whole day.

The smile of a **MONKEY**  
resembles a frown,  
But only when hanging  
from trees, **UPSIDE-DOWN.**

The smile of a **HERO**  
is made up of teeth  
That sparkle and light up  
a **SQUARE JAW** beneath.

There really is nothing  
So happy and bright  
AS your **TEACHER'S BIG SMILE**  
when your answer is **RIGHT.**

A Smile from a **FRIEND**  
you've not seen in a while  
Is the **SCRUMMIEST, YUMMIEST,**  
possible smile.

A **CROCODILE** smile says,  
"I'm so pleased to meet you."  
When really it's thinking,  
"I'd be pleased to **EAT YOU.**"

Some smiles have **BRACES**  
that children detest,  
But those **SILVERY SMILES**  
are really the best.

A **SLOTH'S** gentle smile  
may take time to appear,  
But it's sure **WORTH THE WAIT**  
when it finally gets here.

Some **GRANDPAS AND GRANDMAS,**  
who visit a lot,  
Give smiles that **ARE REAL,**  
using teeth that **ARE NOT.**

A **DOLPHIN'S** sweet smile  
will appear in a flash,  
Then disappear quickly  
with one **SHOWERY SPLASH!**

The Smile from a **MEMORY**  
of Someone now gone  
will light up your days  
and **FOREVER LIVE ON.**

A **TODDLER'S** dear smile  
is the cutest, that's true,  
And is often made up  
of just **ONE TOOTH, OR TWO.**

The smile from your **MOMMY**  
or **DADDY'S** just right  
When they read you a story,  
then **KISS YOU GOODNIGHT.**

The smiles of the world  
have no color or name,  
Because when we're smiling,  
our smiles are the same.

**ONE, TWO, THREE,**  
**SMILE!**
